DEMOCRATIC TICKET.

For Circuit Judge.

HON. CHARLES A. HARDIN,
of Mercer County

Thomas S. Rhea, of Russellville, has announced as a candidate for the democratic nomination for State Treasurer. He is one of the most prominent democrats of western Kentucky, has held numerous positions of honor in his community, and looks like a winner all over. He was sheriff of Logan county for four years and is at the present time chairman of the Democratic Committee of that county. Upon the expiration of his term as Sheriff Mr. Rhea was elected vice president of the bank at Russellville, which position he now holds, and he is regarded as one of the most able financiers in Kentucky.

In democratic circles Mr. Rhea is known as a splendid organizer and his services are always in demand by the party in his section of the state. He is a brother of the Hon. John S. Rhea, former representative in congress from the third district and of A. G. Rhea, Democratic State Executive Committee member from the State-at-large.

At a banquet by the New Jersey State Senate, Gov. Woodrow, who may be the democratic nominee for president, told why he is a democrat.

The Governor said he was a democrat and not a republican, because as he understood it, the republican's first

principle was the Hamiltonian attitude that trusteeship in government had better be administered by those who had the largest stake in the community.

"This is instanced," he continued, "in the protective policy, which holds that the country is solidest which has greatest prosperity in a comparatively limited class. But I am not convinced that the stewardship of any one class is broad enough to be safe proposition. By the republican idea as the men of small moneyed class grow wealthier and wealthier, the prosperity of the people at large must follow increasing also. This like standing a pyramid on its apex and we believe in building pyramids from the ground up. My desire, as a democrat, is for the interests of the poorer majority with the welfare of the few a subordinate consideration."

"The fundamental questions that distinguish the two parties are national questions. I have never been a good party man in the sense of being a good biter. I cannot rate a man merely because we differ in opinion. That I love a fight I admit but it is not because personal antagonism is involved, but in spite of that fact. The only man I can't respect is he who differs from me without having a reason for it."

Judge Allie Young, of the Bath county circuit court made an innovation the other day at Owensville which has caused much comment. A case was being tried and it was found that no jurors of the regular panel were available. The sheriff was instructed to go to the school and select a dozen school boys for a jury. The officer did as instructed and secured boys from 13 to 18 years of age. They were sworn and tried a case for illicit selling of whisky. They found the prisoner guilty returning a prompt verdict.

SENATOR PAYNTER.

(W. P. Walton in Lexington Herald.) A Frankfort correspondent is authority for the statement that Senator Paynter declined an offer of a seat on the Supreme bench, when the president was filling the vacancies, because he did not want a Republican to be appointed to succeed him in the Senate, then in so much need of Democrats. This is highly creditable to the party loyalty of the Senator and deserves to be rewarded.

Senator Paynter has made a good record and such as to entitle him to an endorsement on active canvass for which it is said he will begin at once to make.

The only possible thing that can be urged against Senator Paynter was his support of Lorimer, and that should not be counted against the Senator any more than a decision of a judge should be held against him. Senator Paynter was on the committee that investigated the charges of bribery and corruption against the Illinois Senator, and he says he could not convict a dog on such testimony as was brought before it. Having been long on the state's highest bench Paynter knows the value of testimony and being an honest man he could not find other than he did, believing that there was no incriminating evidence against Senator Lorimer, who may be as guilty as can be, but who can not be convicted except on such testimony as a court would accept.

O HAVE ANOTHER CLEVER HOME TALENT PLAY MARCH 20th

Crab Orchard, Ky., Mar. 16th. Crab Orchard, which is filled with splendid amateur histrionic talent, will enjoy a three-act farce comedy at the Springs on March 20th, the proceeds of which will go to the Christian church. The play is entitled "All a Mistake" the cast of characters being as follows:

Cap. Obadiah Skinner—A retired Sea Captain, W. T. Gover.
Lieut. George Richmond—His Neighbor, R. H. Bronaugh, Jr.
Richard Hamilton, a Country Gentleman, Thomas Moore.
Ferdinand Lighthead—A neighbor, M. M. Perkins.
Nellie Richmond—George's Wife, Miss Kate Middleton.
Nellie Huntington—A friend, Miss Ophelia Lackey.
Cornelia—(Nellie) Skinner, Obadiah's sister, Mrs. W. T. Gover.
Nellie McIntire—A servant, Mrs. R. H. Bronaugh, Jr.

Saturday evening Mr. James Speed of Louisville delivered his illustrated lecture "Schools here and elsewhere" to a large and attentive audience. Mr. Speed could have heard him. He is doing a great work, showing where we should be more enthusiastic in educational lines and equipments of better buildings and etc.

Mr. J. F. Cummins, of Stanford, spent the day Tuesday with her sister Mrs. H. D. Campbell.

Mrs. J. W. Hutcheson and little son were up for a days visit from Stanford visiting Mrs. R. C. Collier.
Rev. Wilkes pastor, of Berea Baptist church preached a fine sermon both morning and evening at the Baptist church. He will continue the meeting on through next week. He is the right man in the right place. There was a confession at the morning service Wednesday morning. If the Christian religion will be revived in their own hearts and lives, then we can expect many conversions and additions to our churches.

Mrs. Hays Foster of Stanford spent the day Wednesday with Misses Pearl and Clara Collier.

Dr. J. W. Edmiston has bought a nice house and lot from Mrs. Jane Buchanan.

WARNING TO RAILROAD MEN

Look out for severe and even dangerous injury and bladder trouble resulting from years of railroad work. Geo. B. Bell 628 Third St., Fort Wayne, Ind., was many years a conductor of the Nickel Plate. He says: "Twenty years of railroad life left my kidneys in a terrible condition. There was a constant pain across my back and hips and my kidneys gave me such distress and the action of my bladder was frequent and most painful. I got a supply of Foley's Kidney Pills and the first bottle made a wonderful improvement and four bottles cured me completely. Since being cured I have recommended Foley's Kidney Pills to many of my railroad friends. Shugars and Tansers."

DIGNITY DARE 1982

Nominated in the Chronicle's Saddle Horse Futurity Stake 1911. 1912

Combined stallion, Dark Mahogany Bay, 15-3 3/4; weight 1,200 pounds, is absolutely sound in every way. Kind disposition and colts easily handled. He has stepped eighth in 18-2 hitched to a sulky; is five gaited; a great show horse wearing the blue tie ever since a yearling; at three years old wore 13 blues and 1 red and 14 shows; as a harness horse and as a model is in a class to himself. He was never defeated except by two of his own colts, and has won in rings of 23 head. His colts are always inside the money, and when developed make great saddlers and high priced three and five gaited show horses. Sixty five of his get at an average age of 2 1/2 years sold at an average price of \$611. He has never been defeated in a produce ring when shown with 4 to 18 of his get.

"Think of such saddlers as he has sired; namely, Nettleton, Winsom, Prospect, the Jim Anderson mare, Hey Day, the Price Herring mare, Toxic, Dare, London Dare, Dare All, White Foot, Prince Imperial and a host of others that have been sold from \$1,000 to \$2,500. Look at his record as a sire of saddlers and see what they can do."

DIGNITY DARE, got by Chester Dare No. 10, &c. 1st dam by Welchmont 6367 A. T. H. R., he by Rysdyk's Hambletonian No. 10 A. T. H. R. will serve mares this season of 1911 at my stable in Hustonville at the low price of

\$25 to insure a living colt. Money due when colt comes of mare traded or removed, or bred to any other stock. A lien retained on all colts until paid for. Grass furnished at reasonable price for mares from a distance and must be settled for before removed. Breeding hours from 5 to 10 in the morning and 4 to 6 in the evening. Mares will receive my personal attention, but will not be responsible for accidents or escape. Will also at the same time and place stand my great breeding Mule Jack PEYTON.

As well known in the West End of Lincoln county, at \$10 for mares and \$20 for jennets, due when colt is foaled or mare traded, removed of part with, or mare bred to any other stock. Peyton by Huff Dudderar's Jack, he by Hubbell Brignolia and one of Jim Porter Jennets.
Peyton is fine with very large bone and foot, good neck and ear, good quarter, well mounted, 15 hands 1 inch high and admired by all who see him, and is said to be the best male jack in Lincoln county.

All are invited to come and see him. Phone in residence.

Dr. Pierce's Favorite Prescription

Is the best of all medicines for the cure of diseases, disorders and weaknesses peculiar to women. It is the only preparation of its kind devised by a regularly graduated physician—an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. THE ONE REMEDY which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

THE ONE REMEDY so good that its makers are not afraid to print its every ingredient on each outside bottle-wrapper and attest to the truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute of unknown composition for this medicine of known composition. No counterfeit is as good as the genuine and the druggist who says something else is "just as good as Dr. Pierce's" is either mistaken or is trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trifling with your most precious possession—your health—may be your life itself. See that you get what you ask for.

ROYAL BAKING POWDER

Absolutely Pure

The official Government tests
show Royal Baking Powder to be
an absolutely pure and healthful
grape cream of tartar baking
powder, and care should be taken
to prevent the substitution of any
other brand in its place.

With no other agent can bis-
cuit, cake and hot-breads be made
so pure, healthful and delicious.

Royal Baking Powder costs only a fair price per pound,
and is cheaper and better at its price than any other baking
powder in the world. It makes pure, clean, healthful food.

Farmers Business

WE GIVE particular attention to the business of the farmers. We cordially invite them to make this their BANKING HOME.

State Bank Trust Co. STANFORD, KENTUCKY.

THE FARMERS

POSTED.—Father Leo, W. B. King. A bargain if sold in 80 days.—A tract of 87 acres of land on Crab Orchard and Stanford pike, 3 miles from Crab Orchard, Ky., Apply to W. T. Garner, Stanford, R. F. D. No. 1, 17-1/2.

Senator R. L. Hubble and son sold a fine four-year-old oak to J. C. Blackerby, of Hicoufield, Nelson county, this week for \$800.

George White has rented H. S. Paintner's farm for this year and Mr. P. goes to Virginia to run a hotel. His friends say that Mr. W. rented with the intention of "backing," but the prospects are very good that he may take a better half before the year is out.

Reports have it that the farmers throughout Central Kentucky will this year test their seed corn and take no chances on having to plant their crops over. It seems that much of the corn crop of 1910 was either cribbed too soon or permitted to remain in the shock too long.

The yield of Kentucky hemp 15 years ago was approximately 150,000, 600 pounds. Ten years ago we produced only 23,000,000 pounds, and in 1910 the crop aggregated the small yield of 10,000,000 pounds. The reason of this remarkable decline in what was one of the most profitable crops in Central Kentucky, was the scarcity of labor to break it out.

Another world's record has been broken. The new queen of the dairy is a beautiful Jersey cow named Sophie 19th of Hood Farm, Lowell, Mass. She is the champion Jersey for milk and butter fat production of cows between four and five years of age. During the 12 months ending December 31, 1910, on a test authenticated by the Massachusetts Agricultural College, under the rules of the American Jersey Cattle Club, Sophie 19th of Hood Farm gave 14,773 pounds, 11 ounces milk, testing 1005 pounds, 11 ounces butter or over half a ton. An accurate account was kept of her feed, and her milk sold at 10 cents per quart made a profit of \$565.22. The United States Department of Agriculture's estimate in round numbers of the wealth produced each year by the 22,000,000 cows in the United States is \$800,000,000, of an average profit of \$36.36 per cow. If more attention was paid to feeding and breeding it should be easy to increase the average profit per cow at least one tenth of the profit made by Sophie 19th of Hood Farm. Sophie would raise the total to \$1,240,000,000 an increase of \$440,000,000.

B. D. Holtzclaw shipped two cars of hay to Jellico tonight of James Messer, for \$14 per ton. E. L. Wilson bought two cows and pigs for \$50.

N. W. Rogers bought a four-year-old saddle horse from "Crab Orchard" for \$150. A four-year-old mare from Mr. Lusk for \$125. He also bought recently a fine three-year-old jack for \$500 from D. D. Sloan. K. J. Martin sold some corn to Emmett Hasty at \$3. Jno. T. Robinson bought some calves at 2 1/2 cents. W. M. Anderson sold some 9-pound shoats to D. B. Abner at 8 cents, bought a lot of corn of Claude Bailey at \$2.50. Green and Jones bought a lot of butcher stuff at 2 1/2 to 4 1/2 cents. M. E. Burton of Pulaski sold to J. L. Hutcheson of Boyle, 24 yearling fitters at \$16.75, sold Thos. 19th of Hood Farm cattle at 5 cents. Walter Hitt bought a horse from Bourne for \$100. Carter Price sold 22 head of yearling calves to Berry Brunner, of Jessamine, at 5 cents; sold a bunch of shoats to Spoonmeyer at 8 cents. J. H. Hinkle bought a bunch of hogs of George Smith at \$15, and sold a piece better to H. D. Holtzclaw for \$25. J. L. Hutcheson bought 40 head of yearlings court day from various parties at an average price of \$15.

Boyle county farmers have had a costly experiment with seed wheat which they purchased in Missouri last fall. J. Edward Allen sowed thirty acres, John C. Robinson fifty acres and many other farmers in the county acreage fully as large and were well pleased with the outlook until the severe freeze of the past week. About 2,000 acres were sowed in the county. The farmers thought they were buying Missouri Winter Fultz wheat but the indications are that they got spring wheat instead. The wheat fields which had enjoyed a luxurious growth during the warm days in January and the early part of February were blackened by the cold weather. The wheat was wilted and fell flat on the ground. The farmers will wheat.

THINKS DAILEY THE GOODS. In writing to the Casey County News, from Valley View, Texas, McWheat says: "As the cotton crop is to Texas and all U. S., so is Joe Bailey the greatest democrat living in the state of Texas, not only in Texas he is the greatest democrat of today. We Texas people can well boast of three things; 1st the largest state in the union, 2nd the greatest cotton state in the world, 3rd the greatest democrat, the greatest democrat and his name is J. W. Bailey."
